I understand that the best efforts will be made to honor any team sponsorship requests above, however, it may be necessary for my sponsorship to be assigned to a team on which none of these players are drafted. I also understand that as a sponsor, players will proudly wear the name listed above on the back of their jerseys, but this sponsorship in no way gives me any input as to how the team is managed or coached. I also understand that Clifton Baseball appreciates my donation and support through team sponsorship.
